I've been drawing since I was very young. A professional artist since 2015, I'm passionate about portraiture, animal portraiture, illustration, and more. I work with oil, watercolor, gouache, charcoal, pencil, and acrylic. I've been leading workshops since 2017, owning the Yaymaker Québec franchise, and organizing Art Battle Québec evenings for two years. I'm also an event consultant under the Boréal Événements banner.
