

10 to 20 participants.

Paint me a picture

A SPECIAL MESSAGE!

Two teams are formed. Each participant receives a blank canvas and a secret message. They have a set amount of time to paint a work of art based on this message. Of course, it's secret! When the time is up, each participant turns their canvas upside down. In turn, each participant reveals their canvas to their team members. The team that guesses the most messages wins.

Can you guess the secret?

(duration: 2h00)
