PAINTING WITHOUT SEEING!

The goal of this game is to work in teams of three to reproduce an image that only one team member can see.

Team: 1 "viewer," 1 "speaker," and 1 "painter."

The "viewer" receives an image to describe to the "speaker," who describes it to the "painter" without seeing it. The "painter" must paint the canvas to the best of their ability.

Then, the team switches easels! *You can stay on the same easel.
